Words from Klickhouse:

When we chose the license to develop this new fantasy action RPG, we thought it would be fun. We brought in the staff who worked on many of the best action RPGs, including the Battle Fantasia series, Eternal Daughter, and Eternal Daughter 2, and created an action RPG that would be fun to play. We dedicated a lot of time to make sure that the game is easy to control, that the game has at least one dungeon to play until you become strong, and that the visual quality is excellent. We want to make this game a game you can spend 2-3 hours playing per day.

Sumik-K-RPG is now on sale until July 22.

STORY

Some light-hearted pleasure-filled people exist in a fantasy-like town of gems surrounded by a vast land. The girl from a recent divine prophecy, who possesses no magic ability, enters the town and hopes to become a merchant. She heads toward the shop of a familiar elderly white-haired man who calls himself Sumik (meaning 'sword').

The promise of becoming an associate of the town's favorite club is hanging

Nov.1, 2018 by Tsujigiri: "R-RPG, Atlus, is a game where, like the Wildlands, the characters and the environments have original and vivid expressions, and where, like the Land, the contents and aspects of the game have their own powerful rhythm. It's a game where, without extravagance and restraint, you can vividly express yourself. It's a game where you can make the game your own. You can play it as if you were the hero. You can create your own world."

Aug.21, 2018 by Yonpa: "I really like it. Perhaps it is because I have played the first game, but it is also very good for beginners because there are fewer battles. It is fun, as well as being very easy to get into. I recommend it to everyone! (I am a girl, single, 30 years old, played like 6 hours, completed the first quest, and now I am continuing the second)."

Jun.8, 2018 by miruoyu: "The new expansion of Atlus' dungeon RPG, The Legend of The Wildlands has finally been released and offers two classes to choose from, Elden and Lore. However, I will not go into much detail because I have not played the game yet. My only impressions of the game are that I find it interesting and that the illustrations are beautiful. I like the fantasy atmosphere and I like the design."

Jun.8, 2018 by miruoyu: "I feel that the maximum difficulty was replaced with a difficulty in the middle and that the difficulty was made easier. With the Legend of The Wildlands for The Wildlands being available on the 3rd, it has been 3 years since the announcement, so I was very interested in what it would be like to go back to the original. I will be playing the game."

Apr.26, 2018 by M,H: "Thanks for the opportunity to play the first game, A Realm Reborn! I'm playing The Legend of The Wildlands, as well. In the first game, there were a lot of monsters, and there were hardly any people except the main characters. There were mostly NPCs (non-playable characters). In this game, there are a lot of people and villagers, and there are also monsters, such as Ganados and Lycusmonoceras. The game bff6bb2d33

Elden Ring PC/Windows

System Requirements: - Windows Vista or higher - 6 GB of RAM (8 GB recommended) - 2 GB of available space - CPU 1.3 GHz or higher - Graphics card DirectX 10 compatible (Acer Aspire 15") - Mouse with Scroll - Battery 3 hours or more Game Installation Size: 1.9 GB Online Play Enabled: Yes Description of the game: Rise, Tarnished. The hero's name is Gorde. Since birth, the lands on the two sides of the distant horizon have been claimed by the two opposing nations that fought the war to end all wars. Darkness prevails in the land. And it was a battle cry heard throughout the Lands Between. "We, the Elden Ring! Will the humans destroy everything, or will we protect everything! Do you not understand? Do you not know what can happen when you don't support the Elden Ring? We're not human, so we have no desire to kill. But the world has been forsaken by the humans. There is only a single species in the world." "Who do you think will survive when we are gone? Everyone else is just a couple of words. To survive and create happiness, you must come to the Elden Ring! We, the Elden Ring, will protect the Lands Between." "Advent! Humanity will disappear! This land will be taken back from the hands of humans! This world... The last world... ... Will be ours! We, the Elden Ring, are humanity's only savior. You'll be able to survive and prosper in the Lands Between as an Elden Lord. You will be guided by grace to defeat all sorts of enemies using the power of the Elden Ring." LEADER BOARD. =====
